New Business

1. Nominations for officers for 2019

So far there have been no nominations for 2019 officers.

2. Discussion and possible action on water issues

It has been fairly obvious that the plight of minimal users is being totally disregarded by the Mojave Water agency and the courts, and that we need to be contacting other agencies, NGOs, and media to describe our concerns and need for equal consideration with the heavy water users in our valley.
