

ABC's of Water

“What's Really in My Drinking Water?”

**Tuesday, January 27, 2015
5:30 - 7:00 P.M.**

Ever wonder what's in your glass of drinking water at the molecular level? And who really makes sure it's safe to drink? Find out these answers and more by attending this session.

Matt Howard, Mojave Water Agency Senior Water Resources Technician will provide an overview of the constituents or elements found in our High Desert water supply and what protocols MWA follows to meet state safe drinking water regulations. Attendees will also have an opportunity to watch the MWA Water Resources team in action, tour the mobile sampling vehicle, and participate in water sampling tests. Seating is limited, so RSVP today. Refreshments will be served.

To register to attend, please contact Gloria Golike at (760) 946-7001, or email at ggolike@mojavewater.org. The deadline to RSVP is January 26, 2015.

Hosted by: Mojave Water Agency

Located at: 13846 Conference Center Dr., Apple Valley, CA
