“Putting Your Landscape on Life Support”

Tuesday, July 28, 2015

5:30 - 7:00 P.M.

The new mandatory drought regulations require reduced water use on outdoor irrigation. So, how can you put your landscape on life support and maintain it through the drought? This hands-on session will help you learn how to program your irrigation controller. In addition, the region's water conservation expert team will be on hand to answer your questions on a variety of water conservation topics including water audits, information on the Cash for Grass program, and more.

Be sure to attend, but seating is limited, so RSVP today. Refreshments will be served. To register to attend, please contact Gloria Golike at (760) 946-7001, or email her at ggolike@mojavewater.org. The deadline to RSVP is July 27, 2015.

Hosted by: Mojave Water Agency

Located at: 13846 Conference Center Dr., Apple Valley, CA
