Learn to Live Like a Desert Native: Demonstration Garden Tour and Workshop

**Tuesday, September 22, 2015
5:30 - 7:00 P.M.**

With the current drought, desert plants have become a hot topic. Come take a tour of the MWA garden and see how you can incorporate these plants into your landscape. The tour will be held on the grounds of the MWA headquarters office.

This session will include native plant identification, plant selection, and plant placement. You will be able to see different options for groundcovers as well, including rock and wood chip varieties. The session will be taught by a Certified Master Gardener. Don't miss this session; we have a lot of information to share.

Seating is limited, so RSVP today. Refreshments will be served. To register to attend, please contact Gloria Golike at (760) 946-7001, or email her at ggolike@mojavewater.org. The deadline to RSVP is September 21, 2015.

Hosted by: Mojave Water Agency

Located at: 13846 Conference Center Dr., Apple Valley, CA
